### ROMA special color selection chart for quick-assembly insulating panels

Matte						
	Black RAL 9005	HDP, 35µm	Mouse gray RAL 7005	HDP, 35µm	Gray brown RAL 8019	HDP, 35µm
Diamond						
	Black RAL 9005	HDP, 35µm	Mouse gray RAL 7005	HDP, 35µm	Gray brown RAL 8019	HDP, 35µm
3D						
	Maroon oak 3D	Polyester, 35µm	White oak 3D	Polyester, 35µm	Carbon 3D	Polyester, 35µm
Polycolor						
	Gold	PVDF, 40µm	Blue	PVDF, 35µm	Moonstone	PVDF, 35µm
Pearlizing						
	Pearl mouse gray RAL 7048	Polyester, 25µm	Pearl beige RAL 1035	Polyester, 25µm	Pearl gold RAL 1036	Polyester, 25µm

As of: January 2018

The many different colors available for ROMA sandwich panel elements give you a wide range of creative design options. The basic material used in our panels is sheet steel that is first galvanized on both sides and then a plastic color coating applied.

Please also note: As a printout, the samples are only an approximate reproduction of the paint colors.  
Special colors with an RAL code are only similar to RAL.

Other colors and coating systems on request.

For this special colors, a minimum purchase quantity of 500m<sup>2</sup> per color applies.

Delivery takes approx. 6 - 8 weeks upon customer's approval and release.

We look forward to helping you.
